

JOIN US IN SHANGHAI FOR THE ASIAN BUSINESS AVIATION CONFERENCE & EXHIBITION

Business aviation is an important emerging market in Asia, driving economic output and providing organizations opportunities for growth. Over the course of three days, ABACE provides the perfect venue for investors considering aviation as a business opportunity; companies thinking of using an aircraft for business; and flight departments who have long used aircraft as a critical business tool.

TOP REASONS TO ATTEND:

View a full range of
business aircraft on
static display

Meet with vendors
to see the latest
products & services

Network with thousands
of industry leaders
and your peers

Learn best practices
from business
aviation experts
